**PATENT ASSIGNMENT**

THIS ASSIGNMENT, effective May 31, 2005, (the "Effective Date") is made by and between JumpKing, Inc., a Utah corporation ("JumpKing"); ICON IP, Inc., a Delaware corporation ("ICON IP" and, collectively with JumpKing, "Assignors"); and YJ USA Corp., an Oregon corporation ("Assignee").

WHEREAS, ICON IP is the owner of the United States patent applications, patents and foreign patent applications described on Schedule A attached to and made a part of this Assignment (the "Intellectual Property"), and JumpKing is a licensee of the Intellectual Property.

WHEREAS, the Assignee is interested in acquiring the Intellectual Property from the Assignors, and the Assignors are interested in transferring the Intellectual Property to the Assignee.

NOW, THEREFORE, the Assignors, pursuant to the Asset Purchase Agreement dated as of May 31, 2005, and for other consideration, the receipt, adequacy and sufficiency of which is acknowledged by the Assignors:

1. Hereby assign to the Assignee, its successors and assigns, their entire right, title and interest in and to the Intellectual Property and in and to each and every invention described in the Intellectual Property, and in and to any and all divisional, continuing or other applications describing any and all such inventions, and in and to any and all Letters Patent of the United States which may issue on the Intellectual Property, and in any and all reissues and re-examinations of the same, and in and to any and all applications for Letters Patent filed in countries foreign to the United States for the inventions of the Intellectual Property, and any and all Letters Patents which may be granted for the inventions of the Intellectual Property in the foreign countries, to have and to hold the same to the full end of the term or terms for which any and all the Letters Patents may be granted, and to sue for any infringement of the Intellectual Property that may have occurred prior to the Effective Date of this Assignment.
2. Assign to the Assignee, its successors and assigns, all licensing agreements, and the rights and benefits thereof, granted to any 3<sup>rd</sup> parties to any or all of the Intellectual Property.
3. Authorize and request the Commissioner of Patents and Trademarks to issue Letters Patents of the United States to the Assignee of the entire right, title and interest in and to the inventions of the Intellectual Property.
4. Will make available, at Assignee's request and at Assignee's expense, the inventor(s) of any Intellectual Property to the extent that the inventor(s) is still an employee or under the control of Assignors, to testify in any interference,

opposition or other legal proceeding, and to sign all papers, execute all divisional, continuing and reissue applications, and to make all rightful oaths and generally do everything possible to aid the Assignee, its successors, assigns or other legal representatives, to obtain and enforce any and all patents that may issue from Intellectual Property and for which they are an inventor.

5. Will, at any time and upon request and at the expense of Assignee, execute and deliver or cause to be executed and delivered by inventor(s) still within their employ or under their control, any and all papers that may be necessary or desirable to perfect the title to the Intellectual Property or any patent that may issue therefrom in the United States or countries foreign to the United States on behalf of Assignee, its successors, assigns or other legal representatives, and the Assignors will, at any time upon request, communicate to the Assignee, its successors, assigns or other legal representatives, such facts relating to the invention described in the Intellectual Property or the history of the Intellectual Property or the history of the Intellectual Property as may be known to them.

IN WITNESS HEREOF, Assignors have given legal effect to this Assignment by their duly authorized representatives.
